DATE OF BIRTH

September 29, 1969

CITIZENSHIP

United States

POSITIONS HELD

- 2002 – Assistant Professor, Psychology Department, University of Pennsylvania
- 2000 - 2002 McArthur Foundation Postdoctoral Fellow, Department of Anthropology, UCLA & Division of Humanities and Social Sciences, California Institute of Technology.
- 1998 - 2000 International Foundation for Research in Experimental Economics Post-doctoral Fellow, Economic Science Laboratory, University of Arizona

EDUCATION

- 1987 - 1991 Cornell University, Ithaca, NY
- Major: Psychology
Advisor: Dennis Regan
Degree: B.A., Psychology (with Distinction)
- 1993 - 1998 University of California, Santa Barbara, CA
- Program: Developmental and Evolutionary Psychology
Advisors: Leda Cosmides and John Tooby
- Degree: M.A., Psychology (1996)
Title: Ontological filters: How evolution solves the chicken and egg problem
- Degree: Ph.D., Psychology (1998)
Title: The social psychophysics of cooperation in groups

WORKING PAPERS

Chavez, A., DeScioli, P., & Kurzban, R. (2007). Conditional reciprocity in public goods games: A textured look.

DeScioli, P., & Kurzban, R. (2007). Mysteries of morality.

DeScioli, P., & Kurzban, R. (2007). The alliance hypothesis for human friendship.

Koppl, R. G., & Kurzban, R. (2006). Experimental forensic science administration informs the design of truth-revealing institutions.

GRANTS

National Science Foundation (2006-8) (With Roger Koppl & Lawrence Kobilinsky). “Democratic Epistemics in Lab-Based Processes” (\$124,717).

Time-sharing Experiments for the Social Sciences (*National Science Foundation*) (With Paul H. Robinson), (2006). “Intuitions of Justice.” (250 subject-hours).

University of Pennsylvania Research Foundation, (2005-6). “Cooperation in Networks: Experimental Proposals” (\$23,856).

MacArthur Foundation Roundtable Grant (2003-6) (With Francisco Gil-White). “Testing for Social Identity Preferences” (\$19,188).

University of Pennsylvania Research Foundation, (2003-5). “The Establishment of Trust: An Experimental Proposal” (\$14,250).

Russell Sage Foundation, (2002-3). “Trust and Information-Seeking in a Public Goods Game. (\$32,371)

Russell Sage Foundation Behavioral Economics Roundtable Small Grants Program (1999). “Commitment in a Real-time Public Goods Environment.” (\$3,688)

HONORS/AWARDS/FELLOWSHIPS

- | | |
|---------------|---|
| 2008 | Human Behavior and Evolution Society Distinguished Scientific Award for Early Career Contribution to Human Behavior and Evolution |
| 2007 | Emerald Citation of Excellence Award for paper, “Explaining clustering within and between organizations: Towards an evolutionary theory of cascading benefits.” |
| 2002 | UCLA Chancellor’s Award for Postdoctoral Research |
| 2001 (Summer) | Fellow, Summer Institute on Bounded Rationality in Psychology and Economics, Max Planck Institute for Human Development. |
| 1998 - 1999 | International Foundation for Research in Experimental Economics Post-doctoral Fellowship |
| 1997 - 1998 | University of California Doctoral Candidacy Fellowship |
| 1996 (Summer) | Fellow, Economic Science Laboratory Graduate Student Workshop |
| 1995 - 1997 | University of California Graduate Fee Fellowship |
| 1994 - 1995 | University of California Graduate Regents Fellowship |
| 1994 (Summer) | Fellow, Summer Cognitive Neuroscience Institute, UC Davis |

- 1987 - 1991 IBM Watson Memorial Undergraduate Scholarship
- 1987 - 1991 New York Empire State Undergraduate Scholarship

INVITED TALKS

Kurzban, R. (2008, March). The Altruistic Punishment Myth. Politics and Life Sciences Conference, Urbana-Champaign, IL.

Kurzban, R. (2008, March). Morality is (at least) a Three Player Game. Behavior, Department of Psychology, Brown University, Providence, RI.

Kurzban, R. (2007, November). Morality is (at least) a Three Player Game. Behavior, Department of Psychology, National University of Singapore, Singapore.

Kurzban, R. (2007, November). Morality is (at least) a Three Player Game. Behavior, Department of Psychology, Harvard University, Cambridge, MA.

Kurzban, R. (2007, November). Morality is (at least) a Three Player Game. Behavior, Department of Psychology, University of Miami, Coral Gables, FL.

Kurzban, R. (2007, October). Morality is (at least) a Three Player Game. Behavior, Evolution and Culture Colloquium Series, Department of Anthropology, UCLA, Los Angeles, CA.

Kurzban, R. (2007, October). The Altruistic Punishment Myth. Religion and Violence Symposium, St. Louis, MO.

Kurzban, R. (2007, October). Morality is (at least) a Three Player Game. Social and Brain Sciences Group, Dartmouth College. NH.

Kurzban, R. (2007, September). Morality is (at least) a Three Player Game. Vanderbilt University Law School, Nashville, TN.

Kurzban, R. (2007, July). Morality is (at least) a Three Player Game. Department of Psychology, University College London, England.

Kurzban, R. (2007, March). Mate Choice Copying in Humans. Presentation at the Penn Science Café. Philadelphia, PA.

Kurzban, R. (2006, November). Evolutionary psychology. Preceptorial, University of Pennsylvania, Philadelphia, PA.

Kurzban, R. (2006, May). Is Third Party Punishment Altruistic? Evidence from the Laboratory. George Mason University, Interdisciplinary Center for Economic Science (ICES), Arlington, VA.

Kurzban, R. (2006, February). Audience Effects on Moralistic Punishment. Solomon Asch Center for Study of Ethnopolitical Conflict, University of Pennsylvania, Philadelphia, PA.

Additional Presentations:

2006, May, Gruter Institute – Conference on Law, Behavior & the Brain, Squaw Valley, CA.

2006, June, IRCS Workshop, University of Pennsylvania, Philadelphia, PA.

2006, October, University of Nebraska-Lincoln 20th Annual Hendricks Conference: Biology and Political Behavior, Lincoln, NE.

2006, November, Cornell University, Behavioral Economics and Decision Research Seminar Series, Ithaca, NY.

2006, December, University of Michigan, RCDG Seminar Series, Ann Arbor, MI.

2007, February, DePaul University College of Law, Chicago, IL.

2007, March, SUNY Stony Brook, Dept. of Political Science, Stony Brook, NY.

2007, April, 10th Anniversary International Foundation for Research in Experimental Economics Gala, Arlington, VA.

Kurzban, R. (2005, November). Update: Reciprocity in Groups and Third Party Punishment. Department of Behavioral Science Seminar Series. Hokkaido University, Hokkaido, Japan.

Kurzban, R. (2005, October). Responding to Non-cooperation in Dyads and Groups: Clues to Reciprocal Psychology. McMaster Psychology Colloquium. McMaster University, Hamilton, Ontario, Canada.

Additional Presentations:

2005, November, University of Nebraska Political Science Colloquium Series. University of Nebraska, Lincoln, NE.

Kurzban, R. (2005, July). Maybe You Can Hurry Love: The (Evolutionary) Science of Mating and Dating. Presentation at the Penn Science Café. Philadelphia, PA.

Additional Presentations:

2005, December, Cosmopolitan Club of Philadelphia.

2006, February, “Dinner with Gregory,” University of Pennsylvania.

2007, February, Millennium Club of Philadelphia.

Kurzban, R. (2005, July). Cooperation: Evolution and Behavioral Game Theory. Invited Featured Speaker at *Cooperation Works! Cooperative Leader Retreat*. Dunseith, North Dakota/Boissevain, Manitoba.

Kurzban, R. & Levine, S. S. (2005, April). The Impact of Social Networks on Interpersonal Relations. Invited presentation to the Western Psychological Association, Portland, OR.

Kurzban, R. (2005, February). Can race be erased? What does evolutionary psychology really say about social categorization? Invited presentation to the Alpha Kappa Alpha, University of Pennsylvania, Philadelphia, PA.

Kurzban, R. & Levine, S. S. (2005, January). The adaptive design of friendship systems: Sensitivity to cues of social network structure. Society for Personality and Social Psychology Evolutionary Psychology Pre-Conference, New Orleans, LA.

Kurzban, R. (2004, November). Improving the Fit Between Evolved Psychology and Institutions: Cooperation and Reciprocity as a Case Study. Interdisciplinary Workshops on Rural Entrepreneurship as a Development Strategy, University of Kentucky, Lexington, KY.

Kurzban, R. (November, 2004). Domain Specificity in Social Categorization: Is Race Automatically Encoded? Department of Communications Studies, Ghent University, Belgium.

Kurzban, R. (2004, November). The Evolution of Reciprocity in Groups: Individual Differences and Cooperative Dynamics in Public Goods Games. Presented at the workshop on "An Evolutionary Approach to Socioeconomic Organization: Linking Selection of Organizations to Selection Within Organizations." University of Amsterdam, The Netherlands.

Additional Presentations:

2005, October, Evolution and Human Adaptation Lecture Series, University of Michigan, Ann Arbor, MI.

2005, October, Center for Complex Systems, University of Michigan, Ann Arbor, MI.

2005, May, Department of Psychology, Hebrew University, Jerusalem, Israel.

2005, May, Center for Rationality and Interactive Decision Theory, Hebrew University, Jerusalem, Israel.

2005, May, Department of Psychology, Tel Aviv University, Tel Aviv, Israel.

2005, May, Organizational Behavior Seminar Series, Tel Aviv University, Tel Aviv, Israel

2005, March, School of Economics and Social Sciences, Singapore Management University, Singapore.

2005, February, Department of Psychology, New Mexico State University, Las Cruces, New Mexico.

2004, November. Center for Research in Experimental Economics and Political Decision-Making, University of Amsterdam, The Netherlands.

2004, November. Department of Communications Studies, Ghent University, Belgium.

2004, November. Department of Economics and Applied Economics, Catholic University of Leuven, Belgium.

2004, October. Institute of Cognitive and Decision Sciences, University of Oregon, Eugene, OR.

Kurzban, R. (2004, April). Evolutionary basis of human behavior. Knight Foundation Brain Boot Camp, Massachusetts Institute of Technology, Cambridge, MA.

Kurzban, R. (2004, March). Evolution, trust, and reciprocity. Social Science Research Institute, Duke University.

Kurzban, R. (2004, March). Social exclusion, stigmatization, and discrimination: The evolved psychology for managing group relationships. The University of Southampton, England.

Kurzban, R. (2003, September). Evolution, trust, and reciprocity. The Third CEFOM/21 International Symposium: Trust in Groups from Cross-societal Perspectives. Hokkaido University, Sapporo, Japan.

Kurzban, R. (2003, August). Perceptions of race. The Second CEFOM/21 International Symposium: Culture, Norms, & Evolution. Hokkaido University, Sapporo, Japan.

Kurzban, R. (2003, April). Is race an automatically encoded social category? Analyzing Conflict: Insights from the Natural and Social Sciences. University of California, Los Angeles.

Kurzban, R. (2003, March). Is race an automatically encoded social category? Annual Meeting of the Western Political Science Association, Denver, CO.

Kurzban, R. (2003, January). Domain Specificity in Social Categorization: The Case of Race. Talk given to the Psychology Department, College of William and Mary, Williamsburg, VA.

Kurzban, R. (2002, October). Commitment and Reciprocity in Social Dilemmas. Talk given to the Decision Processes Group, The Wharton School, University of Pennsylvania, Philadelphia, PA.

Kurzban, R. (2002, June). Domain specificity and social stigma. Invited symposium at the annual meeting of the American Psychological Society, New Orleans, LA.

Kurzban, R. (2001, December). Domain Specific Cognition and Racial Discrimination. Talk given to the Solomon Asch Center for Study of Ethnopolitical Conflict, University of Pennsylvania, Philadelphia, PA.

Kurzban, R. (2001, November). Commitment and Reciprocity in Social Dilemmas. Talk given to the Department of Psychology, University of Queensland, Brisbane, Australia.

Kurzban, R. (2001, October). Commitment and Cooperation in Social Dilemmas. Talk given to the Department of Psychology, University of Cardiff, Wales, UK.

Kurzban, R. (2001, February). Communication, Commitment, and Cooperation in Social Dilemmas. Talk given to the Department of Psychology, University of New Mexico, Albuquerque, NM.

Kurzban, R. (2000, November). Evolutionary functions of intergroup conflict and discrimination. Talk given at the Conference on the New Politics, University of California, Los Angeles, CA.

Kurzban, R. (2000, October). Free riding in public goods games: The roles of commitment and individual differences. Talk given at the California Institute of Technology, Pasadena, CA.

Kurzban, R. (2000, October). The functions of social exclusion. Talk given at the Behavior and Evolution Colloquium, University of California, Los Angeles, CA.

Kurzban, R. (2000, September). Social stigma: An evolutionary approach. Talk given at University of Southern California, Los Angeles, CA.

Kurzban, R. (2000, April). Cooperation in groups: The role of commitment and reciprocity. Talk given at Arizona State University, Tempe, AZ.

Kurzban, R. (2000, March). Invited discussant: German-American Frontiers of Social and Behavioral Sciences symposium. Stone Mountain, GA.

Kurzban, R. (2000, January). Cooperation in groups: Evaluations of competing perspectives. Talk given at the University of Texas at Austin Department of Psychology, Austin, TX.

Kurzban, R., & Wilson, B. J. (1999, October). Quantifying reciprocity in a real time public goods game. Talk given at the University of Arizona Experimental Economics Colloquium, University of Arizona, Tucson, AZ.

Kurzban, R. (1999, June). Trust and reciprocity: Game theory meets evolution. Talk given at the Economic Science Laboratory Honors High School Student Workshop, University of Arizona, Tucson, AZ.

Houser, D., & Kurzban, R. (1999, April). A new look at confusion and kindness in public goods games. Talk given at the University of Arizona Experimental Economics Colloquium, University of Arizona, Tucson, AZ.

Kurzban, R. (1998, December). The public goods problem: Social information for social decisions. Talk given to the MacArthur Foundation Research Network on Norms and Preferences, Chicago, IL.

Kurzban, R. (1998, September). Cooperation, coordination, and cognition: The intriguing resemblance of some game theorists to Michelangelo Buonarroti. Talk given at the University of Arizona, Tucson, AZ.

Kurzban, R. (1998, May). Evolutionary psychology and domain specificity. Guest lecture to Introductory Biosocial Anthropology seminar at the University of California Santa Barbara, CA.

Kurzban, R. (1998, March). Adaptations for adapting: Contingency and life history. Talk given at the Psychology and Social Behavior Colloquium Series, University of California, Irvine, CA.

Kurzban, R. (1998, February). The psychophysics of cooperation: Explorations. Talk given at the University of California, Santa Barbara Cognitive and Perceptual Science Colloquium series, Santa Barbara, CA.

Kurzban, R. (1997, December). When does a group become a coalition? The impact of social psychophysics. Talk given at the University of California Santa Barbara Developmental and Evolutionary Psychology Colloquium series, Santa Barbara, CA.

Kurzban, R. (1997, November). Inducing cooperation: Evolutionary psychology meets experimental economics. Talk given at the University of Texas at Austin Individual Differences and Evolutionary Psychology Colloquium series, Austin, TX.

Kurzban, R. (1997, October). Evolution, domain specificity, and spatial memory. Talk given at the University of California, Santa Barbara Cognitive and Perceptual Science Colloquium series, Santa Barbara, CA.

Kurzban, R. (1996, May). Domain specificity and domain generality: Theory and empiricism. Talk given at the University of California Los Angeles Evolution, Psychology, & Cognitive Science Seminar, Los Angeles, CA.

Kurzban, R. (1995, May). Social categorization: An evolutionary approach. Paper presented at the University of California Santa Barbara Psychology Department Mini-Convention, Santa Barbara, CA.

CONFERENCE PRESENTATIONS

Kurzban, R. (2007, June). Mate Choice Copying in Humans. Presented at the Human Behavior and Evolution Society Conference, Williamsburg, VA.

Kurzban, R., (2007, May). Concordance and conflict in intuitions of justice Gruter Institute Squaw Valley Conference 2007: Law, Behavior & the Brain. Olympic Valley, CA.

Kurzban, R. (2005, June). HurryDate: Mate preferences in action. Presented at the Human Behavior and Evolution Society Conference, Austin, Texas.

Kurzban, R. (2004, July). Third-party punishment: Punitive sentiment or reputation? Presented at the Human Behavior and Evolution Society Conference, Berlin, Germany.

Zak, P., Kurzban, R., & Matzner, W. (2003, June). The neurobiology of trust. Presented at:

Human Behavior and Evolution Society Conference, Lincoln, NE.

International Conference, Economic Science Association, Pittsburgh, PA

Sidanius, J., & Kurzban, R. (2001, June). Political psychology and evolutionary psychology. Paper presented at the Human Behavior and Evolution Society Conference, University College, London, England.

Boyd, R., Camerer, C., Gil-White, F., & Kurzban, R. (2000, December). Ingroup/Outgroup effects on choice behavior. Presented at the MacArthur Foundation Research Network on Norms and Preferences Conference, University of California Los Angeles, CA.

Kurzban, R. (2000, November). Evolutionary origins and functions of intergroup conflict and discrimination. Presented at The New Biopolitics Research Conference, University of California Los Angeles, CA.

Kurzban, R., & Houser, D. (2000, September). Individual differences and cooperation in a sequential public goods game. Presented at the Economic Science Association meeting, Tucson, AZ.

Kurzban, R., & Leary, M. R. (2000, June). Evolutionary origins of stigmatization: The functions of social exclusion. Paper presented at the Human Behavior and Evolution Society Conference, Amherst, MA.

Kurzban, R., Porter, D., & Smith, V. (2000, February). Individual differences in market bubble environments. Talk given at the International Foundation for Research in Experimental Economics Annual Meeting, Tucson, AZ.

Kurzban, R., McCabe, K., & Smith, V. (1999, June). Cooperation in groups: Giving reciprocity a chance. Paper presented at the Human Behavior and Evolution Society Conference, Salt Lake City, UT.

Kurzban, R., McCabe, K., & Smith, V. (1999, May). The role of information in a real time public goods game: Do players use a simple matching rule? Paper presented at the annual meeting of the Economic Science Association, Lake Tahoe, NV.

Kurzban, R. (1998, October). Evolution solves the public goods problem: Cognitive economics. Paper presented at the Economic Science Association North American Regional Meeting, Tucson, AZ.

Rutherford, M.D., Kurzban, R., Tooby, J., & Cosmides, L. (1998, September). Cooperation and punishment within and between groups: The economics of group dynamics. Presented at the Annual Meeting of the Association for Politics and the Life Sciences, Boston, MA.

Kurzban, R. (1998, June). Cooperation, coordination, and contingency in cognition. Paper presented at the Human Behavior and Evolution Society Conference, Davis, CA.

Kurzban, R. (1998, May). Cooperation in groups: An evolutionary approach. Paper presented at the UCSB/UCLA Social Psychology Graduate Student Conference, Santa Barbara, CA.

Kurzban, R., & Duchaine, B. (1997, June). Spatial memory: Bridging content and function. Paper presented at the Human Behavior and Evolution Society Conference, Tucson, AZ.

Rutherford, M. D., Kurzban, R., Tooby, J., & Cosmides, L. (1997, June). Cooperation and punishment in groups: Economic trade-offs. Paper presented at the Human Behavior and Evolution Society Conference, Tucson, AZ.

Robins, S., Lickel, B., & Kurzban, R. (1996, June). Problem ambiguity can be a misleading surface cue in creative problem solving. Poster session presented at the annual meeting of the American Psychological Society, San Francisco, CA.

Kurzban, R., Tooby, J., & Cosmides, L. (1996, June). Retrieval cues in social categorization: Content and context effects. Paper presented at the Human Behavior and Evolution Society Conference, Evanston, IL.

Kurzban, R., Tooby, J., & Cosmides, L. (1995, June). Detecting coalitions: Evolutionary psychology and social categorization. Paper presented at the Human Behavior and Evolution Society Conference, Santa Barbara, CA.

TEACHING EXPERIENCE

Courses Taught:

Communication, Cooperation, and Competition (UCLA)
Cooperation in Groups (University of Pennsylvania)

Evolution, Culture, & Behavior (University of Pennsylvania)
Evolutionary Psychology (California Institute of Technology)
Human Sexuality (University of Pennsylvania)
Human Sociality and the Evolutionary Process (UCLA)
Research Experience in Evolutionary Psychology (University of Pennsylvania)
Research Methods (University of Arizona)

PROFESSIONAL AFFILIATIONS

Senior Researcher, California Social Sciences Experimental Laboratory, UCLA
Senior Researcher, Center for Neuroeconomics Studies, Claremont Graduate University
Center for Evolutionary Psychology, University of California, Santa Barbara
American Psychological Society
Human Behavior and Evolution Society
Society for Personality and Social Psychology

PROFESSIONAL ACTIVITIES

Editorial Board, *Evolutionary Psychology*
Book Review Editor, *Evolution and Human Behavior*
Board of Directors, *International Foundation for Research in Experimental Economics*
Chair, Grants and Awards Committee, *International Foundation for Research in Experimental Economics*
Board of Advisors, *Institute for Forensic Science Administration*

Ad hoc reviewer, *Ethology and Sociobiology*/*Evolution and Human Behavior*, *The Journal of Personality and Social Psychology*, *The Journal of Research in Personality*, *Journal of Experimental Child Psychology*, *Human Nature*, *Personality and Social Psychology Bulletin*, *The Spanish Journal of Psychology*, *Personality and Social Psychology Review*, *Child Development*, *Psychological Bulletin*, *The Journal of Social and Personal Relationships*, *Proceedings of the Royal Society*, *Psychology*, *The Royal Society's Biology Letters*, *Psychological Science*, *Journal of Applied Social Psychology*, *Journal of Experimental Psychology: General*, *Social Justice Research*, *Games and Economic Behavior*, *British Journal for the Philosophy of Science*, *Ethology*, *Social Psychology Quarterly*, *Proceedings of the National Academy of Sciences*, *Current Directions in Psychological Science*, *Journal of Cognitive Neuroscience*.

Ad hoc grant reviewer, *Netherlands Organization for Scientific Research (NWO)*, *National Science Foundation*.

ACADEMIC COMMITTEES

2003 – 2004 Psychology Department Colloquium Committee
2003 – 2005 Psychology Department Chair's Advisory Committee
2005 – 2006 Social Psychology Planning Committee
2005 Behavioral Decision Making Search Committee
2006 – 2007 Social Psychology Search Committee

GRADUATE STUDENTS

Primary Advisor

Marc Egeth (2003 – 2007) [PhD, 2007]
Athena Aktipis (2003 – present)
Peter DeScioli (2003 – present)
Rebecca Bruening (2007 – present)

Committee member

Brandy Burkett, (2002-2003, College of William and Mary) [MA, 2003]
Christine Stanik (2007 – present, University of Michigan)

UNDERGRADUATE INDEPENDENT STUDY/HONORS STUDENTS

Elise Ryan (2002 – 2003)
Samantha Franks (2003-2004)
Nicole Breskin (2004-2005)
Jennifer Ingerman (2004-2005)
Erin O'Brien (2004-2005)
Alan Carniol (2004-2005)
Danielle Trief (2004-2005)
Amelia Fong (2005-2006)
Diana Zarzuelo* (2005-2006)
Craig Bergman (2006-2007)
Alex Shaw (2005-present)
Kelly Asao (2005-present)
S. Skye Gilbert (2006-present)

RESEARCH INTERESTS

Group Behavior
Cooperation/Small Group Dynamics
Morality
Political Psychology
Evolutionary Psychology
Experimental Economics/Game Theory
Forensic Psychology

* Winner, John P. Sabini Undergraduate Award for the Study of Emotion, Character, and Responsibility.
